Electricity Price (Residential)	Average monthly use:	500 kWh	1000 kWh	2000 kWh
	Average price per kilowatt-hour:	9.4¢	8.9¢	8.6¢
	<p>This price disclosure is based on average usage patterns and includes the following components of the price:</p> <p>Energy Charge: 5.1¢/kWh Pass-Through TDU Distribution Charge: 3.286¢/kWh Pass-Through TDU Customer and Meter Charge: \$5.25</p> <p>The Energy Charge is fixed for the contract term. All TDU charges listed will be passed through at cost and aggregated on your bill. Your average price for electric service will vary according to your monthly usage. This product allows you to offset your carbon footprint by adding the 'JustGreen' option for an additional monthly fee of \$5.00. The 'JustGreen' option will ensure 100% of your energy consumed is offset with renewable energy. The 'JustGreen' charge will appear each month on your bill in addition to the price for the product as disclosed above, and the average price per kWh does not include the 'JustGreen' charge. The price does not include state or local taxes or reimbursement for state miscellaneous gross receipts tax. Some locations may be subject to a TDU Underground Facilities and Cost Recovery Charge authorized by their city that is not included in the total average price shown. For more details see the TDU service tariff for a listing of cities and authorized charges.</p>

Disclosure Chart	Type of Product	Fixed Rate Product		
	Contract Term	12 Months		
	Do I have a termination fee or any fees associated with terminating service?	Yes; \$0 with proof of move out(Otherwise \$175). Additionally, if you received a cash incentive upon enrollment and do not complete your contract term, you will be responsible for that portion of the cash incentive associated with your remaining contract term – i.e., cash incentive divided by original contract term multiplied by the remaining contract term. If you contact Amigo Energy directly to cancel, the Exit Fee will be waived.		
	Can my price change during contract period?	Yes		
	If my price can change, how will it change and by how much?	The price applied in the first billing cycle or in subsequent billing cycles may be different from the price in the EFL if there are changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.		
	What other fees may I be charged?	Please See TOS for additional information regarding fees charged by TDSP		
	Is this a pre-pay or pay in advance product?	No		
	Does the REP purchase excess distributed renewable generation?	Yes. Upon execution of an interconnection agreement with the Transmission Provider and our Sell Back agreement you can receive proceeds directly on your bill each month. For more information call 855-215-2259 to speak to our Distributed Generation team. Please see terms of service for important information and restrictions.		
	Renewable Content	Between 0% and 100%, depending on whether the JustGreen option is selected.
