Some locations may be subject to a TDU Underground Facilities and Cost Recovery Charge authorized by their city that is not included in the total average price shown. For more details see the TDU service tariff for a listing of cities and authorized charges.</p>			
Electricity Price (Residential)				
Other Key Terms and Questions	<i>See Terms of Service statement for a full listing of fees, deposit policy, and other terms</i>			
Disclosure Chart	Type of Product	Fixed Rate Product		
	Contract Term	10 Months		
	Do I have a termination fee or any fees associated with terminating service?	Yes. The exit fee is \$175. If you contact Amigo Energy directly to cancel, the Exit Fee will be waived.		
	Can my price change during contract period?	Yes		
	If my price can change, how will it change and by how much?	The price applied in the first billing cycle or in subsequent billing cycles may be different from the price in the EFL if there are changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.		
	What other fees may I be charged?	See the "Additional Charges and Fees" and "JustGreen Product" section of Terms of Service for more details.		
	Is this a pre-pay or pay in advance product?	No		
	Does the REP purchase excess distributed renewable generation?	Yes. Upon execution of an interconnection agreement with the Transmission Provider and our Sell Back agreement you can receive proceeds directly on your bill each month. For more information call 855-215-2259 to speak to our Distributed Generation team. Please see terms of service for important information and restrictions.		
	Renewable Content	Between 10.4% and 100%, depending on whether the JustGreen option is selected.		
	The statewide average for renewable content is:	19.1%
